## Accessing Specific Journal

From the library's website, click [Find e-Journals](#)

Type the journal title in the search box.  
Click on Search

Journal titles, links to databases that contain the journal and the inclusive dates are provided.

\*Every fulltext link is included, because not all years are available in every database. Choose carefully to make sure you are able to access the correct dates.

The screenshot shows the 'A-to-Z Electronic Resources' page from Centennial Library. At the top, there are navigation tabs for 'Index', 'Titles', 'Subjects', 'Search', and 'About This Site'. The 'Titles' tab is active. Below the tabs is a search box with the text 'journal of design history' and a 'Search' button. Below the search box are radio buttons for 'Contains', 'Begins With', and 'Exact Match', with 'Begins With' selected. Below that is a link to 'Return to full title list | Refine Search'. Below the search box is a 'Find:' field with a 'Search' button and a link to 'Advanced search'. Below the search box is a list of results.
