

Cedarville University Indoor Climbing Wall

Rules for Special Groups

1. All climbers must first check in at the equipment room, be at least **10 years old**, and submit a completed **wall waiver** form **signed by a parent**.
2. **No horseplay** in the climbing area period.
3. Knots, harnesses and tie-ins must be checked by a supervisor before each climb.
4. Do NOT put your fingers in any of the **metal hangers** on the wall.
5. **Stay on line** with the belay anchor you are on and do not climb directly above or below other climbers on the wall.
6. Everyone waiting to climb the wall should stand in a line outside of the climbing area until it is their turn to climb.
7. **Socks** must be worn with our climbing shoes.
8. Do not step on the ropes!
9. Clothing must be safe and **modest**.
10. Proper climbing/belaying **commands** are to be used.
Climbers: **On Belay** > Belayer: Belay On
Climbers: **Climbing** > Belayer: Climb On
11. Once the climber can **touch the anchor chain** at the top of the wall, they should climb no higher (don't top out).
12. Respect other climbers and belayers around you and make it a point to share the facility.
13. **Participants should climb with caution and at their own risk!**
