Lighthouse Tutoring Center

Exciting things have happened in the tutoring world at Cedarville University. The Cove (Academic Assistance Center) has experienced an explosion of tutoring needs. This has been prompted by many students realizing the benefits of having individualized help in areas that they need it. The Cove's goal is to provide academic support and build confidence to promote student independence, active learning, and motivation.

SGA Tutoring Sessions

Tutoring sessions are available weekly for most high-demand courses, which include:

- Business Statistics I
- Business Statistics II
- Calculus I
- Calculus II
- Calculus for Business
- College Algebra
- Chemistry for Engineers
- General Chemistry
- General Psychology
- General Zoology
- Introduction to Biology
- Precalculus
- Principles of Biology
- Principles of Chemistry
- Psychology Statistics

This service is free to all Cedarville University students.

One-On-One Tutoring

If you are interested in one-on-one tutoring sessions, stop by The Cove to fill out a simple application. This will start the process of connecting you with a tutor, specialized in a specific subject.

This service is free to Academic Assistance Center (AAC) registered students, and it is also available to other Cedarville University students for a minimal fee.

Study Group Builders

If you are interested in finding others who to study together a group, stop by The Cove to fill out a simple application.

This service is free to all Cedarville University students.

"I thank God for bringing [my tutor] Sarah into my life at just the right time! If she would not have helped me I am 100% sure I would have failed [my test]. Thank you so much for these tutoring services! They really make a difference!

—Larissa Malik, Class of 2009

Become a Tutor

Applicants must have a 3.0 or better GPA, with a 3.2 GPA in the area they tutor. Please stop by Callan 169 to pick up an application. We also will need a written recommendation from a professor here at Cedarville. Tutoring is valuable for scholarship, college, and job applications as well as resumes.

Reasons to Tutor

- Tutoring is challenging, rewarding, and fun for both the tutor and student.
- Excellent pay
- Increased knowledge in the methods of tutoring
- Increased knowledge of subject matter
- You can make a difference in someone's life.
- You can care for others through peer tutoring.

Become a Certified Tutor through the National Tutoring Association

As a tutor here at Cedarville, you will have the opportunity to become nationally certified as a tutor. The Cove is now endorsed by the National Tutoring Association (NTA) and will provide certified tutor training right here on campus. This training is provided free. This will give you many benefits, which include:

- You will be able to help others succeed
- You can develop critical leadership and tutoring skills
- The certification looks great on your resume, and you take it with you when you leave Cedarville
- The training includes The Leadership Institute certification also
- Extra \$1 an hour raise upon certification
- Improved teambuilding skills
- Membership in a national organization
- Increased marketability for employment
- Increased knowledge in the methods of tutoring

What to Expect from Tutoring

- Expect to participate in the learning process. Your tutor will help you to understand the current material and to become prepared for tests
- Learning takes time, effort and planning. Don't wait until the last minute to seek assistance
- Tutoring is only part of developing scholarship. You should attend class, complete class readings, and talk to your instructor.
- Share with your tutor any preferred way of learning that you may have
- Tutoring will help you develop strategies you can use for test preparation and studying

Please contact Kerry Stream at 937-766-3845 or stop by Callan 169 if you are interested in any of these sessions. Don't pass up this invaluable opportunity!
