

Campus Crime Log

In accordance with the October 1998 revisions of the Campus Security Act, Cedarville University maintains a daily log, recording all crimes included in the categories of the preceding crime statistics that are reported to the police or campus security officials, including the nature, date, time, and general location of each crime, and the disposition of the complaint, if known. This log is maintained in the Campus Safety & Security Office (HRS building) for campus-wide disclosure during regular business hours.

In addition, statistics regarding Security & Safety related service calls and incidents from the previous year have been provided for your information. This includes criminal activities that are not required for disclosure under the Clery Act! Click [here](#) [pdf] to see the **2010 Security & Safety statistics**.
