

Cedarville University Vehicle Regulations (CUVR)

Preface:

Cedarville University (CU) has the right and ability to control traffic and parking on its campus and controlled properties, as granted by the Ohio Revised Code (ORC). The Cedarville University Department of Campus Safety & Security has been authorized to administer and enforce the Cedarville University Vehicle Regulations (CUVR) which governs all parking and traffic on Cedarville University campus and controlled properties.

The Cedarville University Vehicle Regulations (herein referred to as CUVR) apply to all vehicles operated on the Cedarville University (CU) campus as well as properties under its control for educational, residential or support purposes.

Any use of any vehicle as stipulated by the Ohio Revised Code (ORC), motorized or not (which includes, but is not limited to electric or gas powered scooters, bicycles, rollerblades or skates) on any university property is a privilege granted by the university and is not the right of any employee, student or visitor. It is the requirement of the university that all employees, students and visitors comply with these vehicle regulations for the sake of the safety and consideration of others. Failure to comply with the CUVR may result in the limitation or revocation of this privilege at the discretion of the university.

The following parking and driving regulations have been adopted by the university to facilitate both vehicular and pedestrian movement, maximize parking and enhance safety. All parking and driving regulations are strictly enforced.

The Cedarville University Vehicle Regulations (CVUR) are subject to revision or change without prior notice.
