

Chapter 13: Request for Affiliation

Request for Affiliation

Cedarville College hereby requests renewal of membership and status of an accredited institution from the Commission on Institutions for Higher Education of the North Central Association of Colleges and Schools. The request is based on the evidence of this report and the evidence gathered by the 1997 Consultant-Evaluator Team which indicates that Cedarville College meets the Commission's General Institutional Requirements and Criteria for Accreditation.

Appendix A: Basic Institutional Data Forms

This appendix includes the Basic Institutional Data Forms provided by the NCA. All forms are included even though some are left blank since Cedarville College does not currently offer any graduate programs.
