

CEDARVILLE *university*

Important Housing Information

- Cedarville University requires all **unmarried students** under 23, taking 7 or more credit hours, and not living with their parents, to live in the residence halls. Students desiring to live off campus must obtain permission through the off campus approval process as outlined at www.cedarville.edu/reslife.
- **Personal Property:** Cedarville is not responsible for theft or damage that occurs to your personal property while living in University owned housing. Students who are not covered by their parent's insurance should consider purchasing renter's insurance.
- **Meal Plan:** All students living in the residence halls are required to carry a meal plan. Information regarding meal plan options will be outlined in the financial planning mailing you will receive in April.
- **Residence Hall Closings:** The residence halls remain open for all breaks except Christmas. There is limited food service available during Fall and Easter Breaks. However, the dining hall is closed during Thanksgiving, Christmas, and Spring breaks.
- Any student with a disability that would require special housing arrangements should contact Disability Services (www.cedarville.edu/ada) to complete the documentation procedures at least four months prior to being a student, in order for housing accommodations to be considered.
- Students requiring an **air conditioned room** for medical reasons should submit the Medical Request for Residence Hall Air Conditioning form (www.cedarville.edu/fall/housing.cfm) completed by the student and a medical doctor.
- **Housing Changes:** Any changes to a request for housing must be made with the Student Life Deans. Once housing assignments are made, opportunities for change are limited and may not be possible.
