
The
Diane Renée Jones
Memorial Scholarship

This scholarship was established by Don and Joan Jones in memory of their daughter Diane Renée Jones (93N). It is awarded to Cedarville University Biology and Science education majors who have completed one year at Cedarville University, are in good standing, and demonstrate financial need. Recipients of this award are chosen by the director of financial aid.

Diane Renée Jones is lovingly remembered as a bright spot in the Cedarville University Class of 1993. Her untimely death in the fall of 1992 cut short her promising future in the field of education. During her time at Cedarville, Diane worked at Bob Evans Restaurant in Xenia, Ohio. This restaurant donated a tree in her honor, which stands today (designated by a plaque) east of the Milner building on the Cedarville University campus.
