#### Financial Registration Policy

To enable the University to be responsible in meeting its financial responsibilities, students must make provision for the payment of their bill on the due dates established by the University each semester. A student's registration for classes indicates a commitment to pay for related charges as stated in the university catalog.

The following payment plan schedule was established to help students care for this responsibility:

	Fall 2003	Spring 2004
First Payment Due:	August 1, 2003	January 1, 2004
Second Payment Due:	September 1, 2003	February 1, 2004
Third Payment Due:	October 1, 2003	March 1, 2004
Fourth Payment Due:	November 1, 2003	April 1, 2004

A student is not considered financially registered until at least the first one-fourth payment has been received by the Cashier's Office. Students who do not make financial arrangements for the first payment due on their university bill will not be permitted to attend the University. Failure to make subsequent payments could result in the loss of cafeteria and library privileges and the withholding of grades and on-line registration.

#### Payment Plans

Students may take advantage of one of two payment plans:

- Payment in Full** involves paying the full amount due as indicated on the Student Invoice by the first payment due date indicated above.
- Four-Pay Plan** makes it possible for students to pay their university bill in four payments spread over three months. An interest charge of 1.083% per month is made on the unpaid balance. Payment envelopes, available on campus, enable students to send checks through intracampus mail and avoid standing in lines.

*First Payment:* At least one-fourth of the amount the student is required to pay is due according to the above payment schedule. *This is the amount of the student's bill remaining after federal loans, financial aid grants, and scholarships are deducted.* When this payment is made, the student has completed financial registration. A late payment charge of \$20 is assessed if the first payment is not made by the due date.

*Second Payment:* The student is required to pay the second payment within four weeks of financial registration. A late payment charge of \$20 is assessed to all accounts that do not meet this criteria. An interest charge of 1.083% per month is made on the unpaid balance.

*Third Payment:* The student is required to pay the third payment within eight weeks of financial registration. A late payment charge of \$20 is assessed to all accounts that do not meet this criteria. An interest charge of 1.083% per month is made on the unpaid balance.

*Fourth (final) Payment:* The remaining balance owed by the student is due within three months of financial registration. A late payment charge of \$20 is assessed on all student accounts with a balance remaining after this deadline. An interest charge of 1.083% per month is made on the unpaid balance.

*Please note: The use of the Four-Pay Plan constitutes a debt obligation of the student to the University and is payable in terms as stated. Each parent and each student must consider and understand the full cost and obligation of the commitment being made.*

#### Notification of the University Bill

Students who register early for classes will receive an invoice based on their course schedule 15 to 20 days before the semester begins. A statement of the student account is generated each month that the account has activity. Invoices and account statements are directed to students at their current university residence. Students may request to have statements and invoices sent to their home address; however, they are still addressed to the student. Forms are available in the Cashier's Office to request that invoices and statements be sent to the home address.

#### Invoices and Statements Online

Students may view their student account, payment plan, most recent invoice, and most recent transactions online using the campus network. Students may also assign their parents a password giving them access

to their student account, invoices, and payment plan. Parents can view this information by logging onto the campus homepage through their own Internet service provider.

## Forms of Payment

Students may pay their university bills using cash, money orders, personal checks, certified checks, or checks drawn on a major credit card. Students can make payments at the Cashier's Office or send their payment by mail. Payments received after 4 p.m. each day in the cashiers' depository box will be credited the next business day.

## Payment Penalties

Students who fail to make acceptable payment arrangements within a reasonable period of time will be denied access to the cafeteria and library until such arrangements are made.

Students who do not make payments according to the due date will be charged a \$20 late payment charge.

Students with unpaid balances at the end of a semester could be denied grade reports, transcripts, university diploma, and/or enrollment in the next semester. They will also be responsible for any fees incurred in the collection of their past due account.

## Interest Rates

An annual interest rate of 13% (1.083% per month) will be charged from the beginning of Fall Semester to the end of Spring Semester on accounts of students enrolled in the current semester.

An annual interest rate of 15% (1.25% per month) will be charged during the academic year on accounts of students no longer enrolled and on all student accounts during the summer months.

## Prepayment Incentive Credit Plan (PIC-Plan)

This plan enables students to earn interest on student accounts that have a credit balance of \$500 or more. Interest earned is credited monthly. This plan operates automatically as soon as the student has a credit balance of \$500 or more on the first day of a calendar month. Prepayments can be made anytime. All payments are credited immediately to the student's account. The University reserves the right to limit the amounts deposited under the PIC-Plan. Interest rates are established on a quarterly basis beginning January 1, April 1, July 1, and October 1. Please call 937-766-7665 for the current rate. For more details please request a current PIC-Plan brochure from the Cashier's Office.

## Withdrawals from a Student Account (Credit Balance)

Students may withdraw funds from their account if the account has a credit balance. Cash withdrawals totalling \$50 maximum may be made on a weekly basis. No more than two cash withdrawals may be made in a week. No withdrawals are allowed during the 1st week of classes. Withdrawals of amounts greater than \$50 are issued by check upon request in person, by e-mail, or by telephone from the Cashier's Office. Check processing normally requires one or two full business days.

## Student Health Insurance

Due to increasing complexities in dealing with Health Maintenance Organizations (HMOs) and the many and varied Preferred Provider Plans (PPPs), medical insurance is provided for all students taking 6 or more credits at no additional cost. Students taking less than 6 credit hours may purchase the Student Health Insurance Plan. Married students may also purchase the Student Health Insurance Plan for their spouse and dependants. For more details, please contact the student health insurance coordinator at (973)766-7864, or visit online at [www.cedarville.edu/dept/pc](http://www.cedarville.edu/dept/pc).

## New Student Reservation Deposit Refund

A reservation deposit must be submitted by new students as an indication of the intention to enroll. The amount of the deposit is \$250. This money will be credited to the student's account and used to cover first semester expenses. A student must submit a reservation deposit in order to be registered for courses.

The reservation deposit is fully refundable if the request for refund is received in writing before the reservation deposit deadline. Requests for refunds received after the reservation deposit deadline are partially

refundable (\$150 of the \$250 deposit) until the refund date. No refunds are available after the refund date.

Reservation deposit submission deadlines and refund dates are as follows:

Term	Deadline	Refund Date
	Full Refund	Partial
Fall Semester	May 1	July 1
Spring Semester	Nov. 1	Dec. 1
Summer Session I	April 15	May 1
Summer Session II	May 15	June 1
Summer Session III	June 15	July 1

## Continuing Student Reservation Deposit Refund

Full (100%) refunds will be made to continuing students who notify the University by June 1 of their cancellation. If a continuing student notifies the University between June 2 and July 1 of his/her intention not to return fall semester, \$150 of his/her deposit will be refunded. No refunds will be made after July 1.

## Withdrawal Refunds

### Tuition and Science Laboratory Fees

Students withdrawing from the University before the end of a semester may request a refund from the Cashier's Office. Refunds may be requested anytime after the beginning of a semester. The effective date of the withdrawal from the University is the last day of class attendance as determined by the Academic Services Office.

Processing of refunds will begin the third week of the semester. Tuition and science laboratory fee refunds for withdrawal are granted on this schedule:

Refund	Fall 2003	Spring 2004
100%	thru Aug. 29	thru Jan. 16
75 %	thru Sept. 5	thru Jan. 23
50%	thru Sept. 12	thru Jan. 30
25%	thru Sept. 19	thru Feb. 6
No Refund	after Sept. 19	after Feb. 6

Course offerings changed or deleted by the University entitle a student to a full refund of tuition and related course fees. Students withdrawing from a course or courses will be granted a full tuition refund to apply toward courses added. If the new total hours are fewer than the original total, the above refund schedule will apply.

### Board

Board charges will be refunded on a prorated weekly basis. Board weeks begin on Sunday and end on Saturday. Board refunds are computed based on the last day of residency. Board contracts are required for all students living in the residence halls. Students may choose either a 14 or 21 meal plan per week.

### Room

Rooms are reserved for each student for an entire semester. No refund of room rent is made except in cases of severe illness or incapacity. Written confirmation of the illness or incapacity must be provided by the director of Patterson Clinic or a physician. Room rent will then be refunded on a prorated basis.

### Other Fees

No other fees are refundable except for withdrawal within the first calendar week of the semester.

## Federal Refund Policy

Programs which are included:

1. Federal Pell Grant
2. Federal SEOG Grant
3. Federal Perkins Loan
4. Federal Stafford Loans
5. Federal Parents PLUS Loan

A portion of Title IV grant or loan funds, but not FWS funds, must be returned to the Title IV programs upon a Title IV recipient's withdrawal from the school.

# Financial Information

## *Withdrawal date*

The day the student withdraws is the date (determined by the school):

- The student began the withdrawal process prescribed by the school;
- The student otherwise provided the school with official notification of the intent to withdraw; or
- For the student who does not begin the school's withdrawal process or notify the school of the intent to withdraw, the mid-point of the period of enrollment for which Title IV assistance was disbursed (unless the institution can document a later date).

If the school determines the student did not begin the withdrawal process or notify the school of the intent to withdraw due to illness, accident, grievous personal loss or other such circumstances beyond the student's control, then the school may determine the appropriate withdrawal date.

## *Percentage of the payment period or period of enrollment completed*

The percentage of the period of enrollment for which assistance was awarded that was completed is determined by dividing the total number of calendar days comprising the period of enrollment for which assistance is awarded into the number of calendar days completed in that period as of the day the student withdrew.

## *Calculation of Title IV assistance earned*

To calculate the amount of Title IV assistance earned by a student, the school must first determine the percentage of Title IV assistance the student earned. Up through the 60 percent point of time, the percentage of assistance earned is equal to the percentage of the period of enrollment for which it was awarded that was completed as of the day the student withdrew. If the student withdrawal occurs after the 60 percent point, then the amount is 100 percent.

## *Calculation of Title IV assistance not earned*

The amount of the Title IV grant and loan assistance not earned by the student is calculated by determining the complement of the percentage of assistance the student earned and applying it to the total amount of grant and loan assistance that was disbursed (or that could have been disbursed) to the student, or on the student's behalf, for the period of enrollment as of the day the student withdrew.

## *Difference between amounts earned and amounts received*

The school will follow the regulations for late disbursement if the student received less grant or loan assistance than the amount earned. If the student has received more grant or loan assistance than the amount earned, then the unearned funds shall be returned by the school, or the student, or both.

## *Responsibility of the school*

The school shall return the lesser of the unearned amount of Title IV assistance or an amount equal to the total institutional charges the student incurs for the period of enrollment of which the assistance was awarded, multiplied by the unearned percentage of awarded Title IV grant and loan assistance.

## *Responsibility of the student*

Students shall return unearned Title IV assistance minus the amount the school returns.

## *Order of return of Title IV funds*

Excess funds returned by the school or student are credited to outstanding Title IV loan balances for the student or made on the student's behalf for which a return of funds is required. Excess funds must be credited to outstanding balances in the following order:

1. Unsubsidized Stafford loans
2. Subsidized Stafford loans
3. Federal Perkins loans
4. FFEL PLUS loans
5. Federal Pell grant
6. Federal SEOG grant

## **Veterans Training Benefits and Dependents Educational Assistance**

Cedarville University is approved under Title 38, Chapters 30, 31, 32, 35, and 106 U.S. Code for Education of Veterans and their Dependents. Students under Chapters 30, 32, 35, and 106 are required to pay the school for all charges. The Veterans Administration in turn pays them a monthly allowance based upon their training load. Veterans under Chapter 31 are paid a monthly allowance and the Veterans Administration pays the school for tuition, fees, books, and supplies.

Inquiries concerning eligibility should be directed to the Contact Office of a Veterans Administration Regional Office. Students planning to study under one of the education laws should receive approval prior to enrolling. ## **Deferred Payment Plan for Veterans**

For Option Deferred Payment Plan for Veterans (under chapters 30, 31, 32, and 35) receiving the Educational Assistance Allowances, consult the Academic Services Office.

	2nd payment by 11/1
	3rd payment by 12/1
	Final payment by 1/1
Spring Semester:	1st payment by 2/1
	2nd payment by 3/1
	3rd payment by 4/1
	Final payment by 5/1

## **Financial Aid**

*When completing the FAFSA, the Title IV Code for Cedarville University is 003025*

### **General Information**

Cedarville University offers a variety of financial aid programs to assist students with education-related expenses. Although Cedarville University supports the premise that the primary responsibility for financing a college education rests with the student and family, aid programs are available to supplement personal resources.

Most of the financial aid available at the University is considered to be *need-based aid*. Students are asked to complete the Free Application for Federal Student Aid (FAFSA) and submit the form to the Central Processing Center. The FAFSA should be submitted to the central processor by February 10, but not before January 1 preceding the academic year for which aid is being requested. It is not necessary to have filed your Federal taxes before completing your FAFSA. Estimated data can be used. An analysis of the family's financial data is performed and the results are used to determine the eligibility for *need-based* assistance. New aid applicants may obtain the FAFSA from their high school guidance counselor or from the Cedarville University Financial Aid Office. For filing online obtain a PIN number for **both** the parent and student at [www.pin.ed.gov](http://www.pin.ed.gov) and complete the FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

In addition to *need-based aid*, the University also offers *merit-based aid* to students who demonstrate recognized achievement or talent. Merit scholarship categories include academic, leadership, athletic, music, and forensics.

The Financial Aid Office serves as a resource center to assist students and their families in exploring alternative sources of educational funding.

The Financial Aid home page has direct links to several scholarship databases. Students are encouraged to investigate privately-funded scholarships through the use of the World Wide Web and accessing [www.cedarville.edu/dept/fa](http://www.cedarville.edu/dept/fa).

Students should advise the Financial Aid Office when they receive additional assistance from sources other than Cedarville University. This assistance will be considered when preparing award packages and at times may result in the revision of a previously prepared package.

A financial aid award notification will be provided to students after reviewing completed application data and after a student is accepted for admission to Cedarville University. Financial aid is applied for and awarded on a yearly basis. Aid applicants must continue to meet program qualifications in order to retain eligibility.

All questions may be directed to the Financial Aid Office at 937-766-7866 or 1-800-444-2433. Visit Cedarville's financial aid website at <http://www.cedarville.edu/dept/fa> and the FAFSA website at <http://www.FAFSA.ed.gov>.

## Institutional Loan Funds

Detailed information concerning the application and repayment process is available from the Financial Aid Office. There are several types of short and long-term loans available for situations where funding is

delayed. A co-signer is required unless payment is guaranteed through another source of financial aid in the given academic year. The annual limit for an institutional loan is \$2400.

## Federal Family Education Loan Programs

**Federal Stafford Student Loan** funds are available to dependent and independent undergraduate students. Requests for loan assistance from this program may be made through the FAFSA. Cedarville University processes applications electronically through the Great Lakes Higher Education Corporation and its participating lenders. Applications will be mailed directly to the student from Great Lakes. The federal government will subsidize (pay) the interest on loans while the student is in school and during a six month grace period following withdrawal or graduation if the student has demonstrated financial need as determined by the FAFSA calculations. The interest rate, as of July 1, 1994, is a variable rate not to exceed 8.25%. Freshmen can borrow a maximum of \$2,625, sophomores-\$3,500, and juniors and seniors-\$5,500. Loan origination and insurance fees totaling 3% of the loan amount will be deducted by the lender.

**Federal Unsubsidized Stafford Student Loan** funds are available to students who do not qualify for all or part of the need-based subsidized Stafford Loan. The annual loan limits are the same, as stated above, for the subsidized, unsubsidized, or any combination of the two programs. In this program, all the terms are the same as the subsidized Stafford; however, the federal government does not cover the interest expenses while the student is in school or during the six-month grace period. The student does have the option to defer payments during in-school and grace periods; however, the interest continues to accrue. **Independent students** are eligible to borrow additional funds through the Unsubsidized Stafford. Freshmen and sophomores may borrow an additional \$4,000 and juniors and seniors can borrow an additional \$5,000 per year.

**Federal Parent Loan to Undergraduate Students (PLUS)** funds are available for creditworthy parents to borrow on behalf of their students. This loan program is not based on financial need and may be used to replace all or part of the expected family contribution. Parents may borrow any amount up to the cost of education less any financial aid the student is receiving. The interest rate is a variable rate and will not exceed 9%. The lender will deduct 3% of the loan amount to cover the origination and insurance fee. Repayment does begin within 60 days following full disbursement of the loan proceeds. Further information and applications for this program may be obtained by contacting the Financial Aid Office.

Students should be aware that funds awarded from these programs are considered to be awarded for the entire loan period requested by the borrower. Should the student withdraw before the end of the loan period, a proportionate refund of the loan proceeds may be returned to the lender. In addition, if a student is enrolled for less than a full academic year immediately preceding graduation, the annual loan limit may be prorated based on the number of credits remaining to complete the program of study. Specific questions relating to the federal regulations outlined above may be directed to the Financial Aid Office.

## Federal Perkins Loans

Federal Perkins Loans are available through the University to students who are citizens of the United States and who demonstrate exceptional financial need. Funds are awarded to Federal Pell Grant recipients first. Other applicants are awarded pending availability of funds.

The Federal Perkins Loan Fund was established to help students pursue their courses of study at their chosen institutions of higher education. Students are eligible if they are: (1) a national of the United States, in the United States for other than a temporary purpose and intend to become a permanent resident thereof, a permanent resident of the Trust Territory of the Pacific Islands, or the Northern Mariana Islands; (2) in need of the amount of the loan to pursue a course of study at an eligible institution; (3) capable, in the opinion of the institution, of maintaining good standing in such course of study; and (4) accepted for enrollment as at least a half-time undergraduate student. Continuing students must be in good standing and enrolled as at least a half-time undergraduate.

The standard Perkins Loan amount is \$1,500. However, the annual amount may be increased as funding allows, to the maximum amount of \$20,000 for the undergraduate student.

Repayment begins nine months after graduation or when a student leaves school for other reasons. One may have up to 10 years to pay back the loan, depending upon the aggregate amount borrowed. During the repayment period, the borrower will be assessed 5% interest on the unpaid balance of the loan principle.

Exit interviews will be conducted for graduates and withdraws to explain loan deferment and cancellation provisions for borrowers who continue their education or go into certain fields of teaching or specified military duty.

## Student Employment

### Federal Work Study

This federally-funded program is designed to provide work opportunities for university students. Students in this program may qualify for up to 20 hours a week during the academic year, providing they show a demonstrated need from their federal need analysis (i.e., the FAFSA). All work assignments are made by the Financial Aid Office. Actual hiring is done by the department supervisors who will employ the students. As with campus employment, actual job placement, number of hours worked, and total dollar amount earned cannot be guaranteed by the Financial Aid Office. Community service positions are also available in this program. For more information, visit

### Campus Employment

Although unable to guarantee actual job placement, the number of hours worked, or total dollar amount earned, Cedarville University assists needy students by recommending them for part-time employment. Students are employed in various part-time jobs on campus such as maintenance, cafeteria, housekeeping, and others.

Part-time student employment is not restricted to upperclassmen and is encouraged at all levels.

### Off-Campus Employment

Because of the University's reputation for attracting quality students, many area employers contact the Career Services Office to employ students on a part-time basis. Though no formal restrictions pertain to this employment, students are encouraged to limit their working hours to approximately 20 hours per week to ensure sufficient time to study.

## Standards of Satisfactory Academic Progress for Recipients of Financial Aid

### Policy

Financial aid recipients at Cedarville University are required to achieve satisfactory academic progress to be eligible to continue to receive federal financial assistance. The purpose of this policy is to define the requirements for satisfactory academic progress as it pertains to recipients of Title IV federal aid programs.

The University recognizes that conditions which create the need for financial assistance may also create other educational needs which require extra time and slower progress in achieving educational goals. Students who, because of exceptional educational needs, must make slower progress than outlined in the policy or who find themselves victims of unusual circumstances, are encouraged to discuss their situations with their academic advisors and the Financial Aid Office. Where legally possible, because of mitigating circumstances, exceptions to this policy can be considered.

When the Congress of the United States enacted the Higher Education Amendments of 1976, eligible institutions were directed to define and enforce standards of progress for students receiving federal financial assistance. The programs directly involved at Cedarville University are: (1) Federal Pell Grant, (2) The Federal Perkins Loan, (3) The Federal Supplemental Educational Opportunity Grant-FSEOG, (4) Federal Work Study-FWS, and (5) Stafford/PLUS Loans.

### Full-Time Students

To be eligible for full benefits of Federal Title IV funds, undergraduate recipients of financial aid must enroll for a minimum of 12 credit hours of classes during each semester that aid is received.

All students are required to have a cumulative grade point average of 2.0 "C" in order to graduate from Cedarville University. The following academic requirements would be appropriate in achieving this goal and fulfilling the term "carrying to completion" the required credit hours. To meet academic progress standards, students must complete a minimum number of credit hours based on a percentage of work to be completed and maintain a minimum cumulative grade point consistent with graduation requirements. The following illustrates the academic progress policy:

Hours attempted	1-32	33-64	65-96	97-192
Completed (percent)	65%	70%	75%	80%
Minimum cumulative GPA	1.7	1.9	2.0	2.0

Satisfactory academic progress means that first-time students must, after a reasonable probationary period not to exceed two semesters except in cases of mitigating circumstances, have registered the minimum cumulative grade point average each semester thereafter above. In addition, these students must complete 65% the first academic year, 70% the second year, 75% the third year, and 80% the fourth year.

NOTE: Cumulative grade point average is measured each semester; percentage of work or credit hours completed is measured once each academic year. It is assumed that the majority of students will graduate in the normal time frame. However, no student may continue more than six years to complete his/her academic program. Regardless of the credit hours full-time students attempt, which cannot exceed 192, they must complete the percentage of work (credit hours) and have the appropriate cumulative grade point as stipulated.

Aid recipients who fail to complete the required number of credit hours listed above during the applicable academic year and who do not meet the minimum grade point requirements each semester will be considered as not making satisfactory academic progress. These students will be subject to having their federal aid discontinued, unless there are mitigating circumstances involved that may affect a student's academic progress. Students who withdraw from all courses during any semester will be required to confer with the Financial Aid Office and other appropriate offices. If permitted to continue, students who withdraw from all courses during each semester for two consecutive semesters will be considered as not making satisfactory academic progress and will be discontinued from receiving federal financial aid.

In conjunction with school policy, the grading marks "F", "I", and "WF" will not be considered as successful completion of courses attempted. Incomplete "I" grades can be considered when completed according to the provisions in the university catalog. Courses that are repeated will count in the calculation of hours attempted and completed hours earned if the student receives a passing grade; however, all grades received for the course will be included in the grade point calculation.

Credit hours in which a "CR" has been earned count toward total graduation requirements but are not used in the computation of grade point averages. Noncredit hours for which an "NC" has been earned are not used in the computation of grade point averages.

Repeat course credits earned are averaged into the cumulative grade point averages; however, credit hours are counted only once. "AU" Audit, "W" Withdrawal, "WP" Withdrawal Passing do not constitute hours attempted or completed.

Summer school credit hours earned will be included in the academic year to which summer sessions are assigned. They will be evaluated the same as hours earned in regular semester sessions.

### Part-time Students

Students who enroll for less than a full-time basis (12 credit hours per semester) will receive proportionately less financial aid than a full-time student as dictated by lower school costs and federal regulations. Similar academic progress requirements for full-time apply to part-time enrollment on a proportional basis. Most financial aid is not available to students who enroll for fewer than six hours of credit per semester (half time).

### Transfer Students

Transfer students who have never attended Cedarville University will be treated as new students. After completion of the probationary period, the transfer credits plus the credits received at the University and the cumulative grade point earned will be the evaluating factors to determine if progress is evident, based on the current satisfactory academic progress policy.

### Method for Appeal

Students who have been discontinued from financial aid have a right to appeal and can do so by written notification to the associate director of student financial aid. All appeals must include substantive reasons for failure to comply with the provisions of this policy, and all extenuating circumstances must be supported by documentation.

The financial aid committee meets and decides on each appeal and notifies the student of the decision. If a student is dissatisfied with the decision, he/she can appeal to the vice president of enrollment management.
