Financial Registration Policy

To enable the University to be responsible in meeting its financial responsibilities, students must make provision for the payment of their bill on the due dates established by the University each semester. A student's registration for classes indicates a commitment to pay for related charges as stated in the University catalog.

The following payment plan schedule was established to help students care for this responsibility:

	Fall 2005	Spring 2006
First Payment Due:	August 1, 2005	January 1, 2006
Second Payment Due:	September 1, 2005	February 1, 2006
Third Payment Due:	October 1, 2005	March 1, 2006
Fourth Payment Due:	November 1, 2005	April 1, 2006

A student is not considered financially registered until at least the first one-fourth payment has been received by the Cashier's Office. Students who do not make financial arrangements for the first payment due on their university bill will not be permitted to attend the University. Failure to make subsequent payments could result in the loss of cafeteria and library privileges and the withholding of grades and on-line registration.

Making Payment

Students and parents now will be able to pay their University bill using a variety of payment methods, thanks to our relationship with Tuition Management Systems (TMS). Payments can be made by check, credit or by debit card (convenience fees apply) over the phone or via the internet. For your protection, please do not mail cash.

Notification of the University Bill

Students who pre-register will receive an invoice based on their pre-registration schedule 20 to 30 days before the semester begins. You are responsible for making your payments by the due dates. A statement of the student account is generated each month that the account has activity. Invoices and student statements are sent to the student at his/her campus post office box unless directed otherwise in writing. Students wishing to have their invoices and statements sent to their home address may obtain a form from the Cashier's Office. You may view your student account history at any time by using "Cedar info" and selecting "**View your Student Account.**"

Invoices and Statements Online

Students may view their student account, payment plan, most recent invoice, and most recent transactions online using the campus network. Students may also assign their parents a password, giving them access to their student account, invoices, and payment plan. Parents can view this information by logging onto the campus homepage through their own Internet service provider.

Payment Penalties

Students who fail to make acceptable payment arrangements within a reasonable period of time will be denied access to the cafeteria and library until such arrangements are made. Students who do not make payments by the stated due dates will be charged \$35. Students with unpaid balances at the end of the semester could be denied enrollment in the next semester, grade reports, transcripts, or diploma. Past due accounts will also be responsible for any fees incurred in the collection of their past due account.

Interest Rates

An annual interest rate of 15% (1.25% per month) will be charged during the academic year on accounts of students no longer enrolled and on all student accounts during the summer months.

Prepayment Incentive Credit Plan (PIC-Plan)

This plan enables a student to earn interest on their student account that has a credit balance of \$500 or more on the first day of the calendar month. The PIC-Plan account and the student account are one in the same. PIC-Plan interest is taxable and anyone earning \$10 or more in interest will receive a 1099-int form. Please call 937-766-7665 for the maximum deposit amount and the current interest rate.

Withdrawals From a Student Account

A student may withdraw cash from their student account during the semester, provided they have a credit balance. Cash withdrawals may not exceed \$50 per week. No more than two cash withdrawals may be made per week. Withdrawals of amounts greater than \$50 are issued by check; requests can be made by contacting the Cashier's Office or using CedarInfo by selecting **Request a check from your student account** under **Financial Transactions**. Checks are issued within two/three business days of the request.

Student Health Insurance

Due to increasing complexities in dealing with Health Maintenance Organizations (HMOs) and the many and varied Preferred Provider Plans (PPPs), medical insurance is provided for all students taking 6 or more credits at no additional cost. Students taking less than 6 credit hours may purchase the Student Health Insurance Plan. Married students may also purchase the Student Health Insurance Plan for their spouse and dependants. For more details, please contact the student health insurance coordinator at 937-766-7864, visit online at www.cedarville.edu/dept/ums, or e-mail stuhealth@cedarville.edu (fax: 937-766-3646).

This money will be credited to the student's account and used to cover first semester expenses. A student must submit a reservation deposit in order to be registered for courses.

The reservation deposit is fully refundable if the request for refund is received in writing before the reservation deposit deadline. Requests for refunds received after the reservation deposit deadline are partially refundable (\$150 of the \$250 deposit) until the refund date. No refunds are available after the refund date.

Reservation deposit submission deadlines and refund dates are as follows:

Term	Deadline Full Refund	Partial Refund Date
Fall Semester	May 1	July 1
Spring Semester	Nov. 1	Dec. 1
Summer Session I	April 15	May 1
Summer Session II	May 15	June 1

No refunds will be made after July 1.

Withdrawal Refunds

Tuition and Science Laboratory Fees

Students withdrawing from the University before the end of a semester may request a refund from the Cashier's Office. Refunds may be requested anytime after the beginning of a semester. The effective date of the withdrawal from the University is the last day of class attendance as determined by the Academic Services Office.

Processing of refunds will begin the third week of the semester. Tuition and science laboratory fee refunds for withdrawal are granted on this schedule:

Refund	Fall 2005	Spring 2006
100%	thru Sept. 2	thru Jan. 20
75 %	thru Sept. 9	thru Jan. 27
50%	thru Sept. 16	thru Feb. 3
25%	thru Sept. 23	thru Feb. 10
No Refund	after Sept. 23	after Feb. 10

Course offerings changed or deleted by the University entitle a student to a full refund of tuition and related course fees. Students withdrawing from a course or courses will be granted a full tuition refund to apply toward courses added. If the new total hours are fewer than the original total, the above refund schedule will apply.

Board

Board charges will be refunded on a prorated weekly basis. Board weeks begin on Sunday and end on Saturday. Board refunds are computed based on the last day of residency. Board contracts are required for all students living in the residence halls. Students may choose from six available meal-plan options.

Room

Rooms are reserved for each student for an entire semester. No refund of room rent is made except in cases of severe illness or incapacity. Written confirmation of the illness or incapacity must be provided by the director of University Medical Services or a physician. Room rent will then be refunded on a prorated basis.

Other Fees

No other fees are refundable except for withdrawal within the first calendar week of the semester.

Federal Refund Policy

Programs that are included:

1. Federal Pell Grant
2. Federal SEOG Grant
3. Federal Perkins Loan
4. Federal Stafford Loans
5. Federal Parents PLUS Loan

A portion of Title IV grant or loan funds, but not FWS funds, must be returned to the Title IV programs upon a Title IV recipient's withdrawal from the school.

Withdrawal date

The day the student withdraws is the date (determined by the school):

- The student began the withdrawal process prescribed by the school;
- The student otherwise provided the school with official notification of the intent to withdraw; or
- For the student who does not begin the school's withdrawal process or notify the school of the intent to withdraw, the mid-point of the period of enrollment for which Title IV assistance was disbursed (unless the institution can document a later date).

If the school determines the student did not begin the withdrawal process or notify the school of the intent to withdraw due to illness, accident, grievous personal loss, or other such circumstances beyond the student's control, then the school may determine the appropriate withdrawal date.

Percentage of the payment period or period of enrollment completed

The percentage of the period of enrollment for which assistance was awarded that was completed is determined by dividing the total number of calendar days comprising the period of enrollment for which assistance is awarded into the number of calendar days completed in that period as of the day the student withdrew.

Financial Information

Calculation of Title IV assistance earned

To calculate the amount of Title IV assistance earned by a student, the school must first determine the percentage of Title IV assistance the student earned. Up through the 60 percent point of time, the percentage of assistance earned is equal to the percentage of the period of enrollment for which it was awarded that was completed as of the day the student withdrew. If the student withdrawal occurs after the 60 percent point, then the amount is 100 percent.

Calculation of Title IV assistance not earned

The amount of the Title IV grant and loan assistance not earned by the student is calculated by determining the complement of the percentage of assistance the student earned and applying it to the total amount of grant and loan assistance that was disbursed (or that could have been disbursed) to the student, or on the student's behalf, for the period of enrollment as of the day the student withdrew.

Difference between amounts earned and amounts received

The school will follow the regulations for late disbursement if the student received less grant or loan assistance than the amount earned. If the student has received more grant or loan assistance than the amount earned, then the unearned funds shall be returned by the school or the student or both.

Responsibility of the school

The school shall return the lesser of the unearned amount of Title IV assistance or an amount equal to the total institutional charges the student incurs for the period of enrollment of which the assistance was awarded, multiplied by the unearned percentage of awarded Title IV grant and loan assistance.

Responsibility of the student

Students shall return unearned Title IV assistance minus the amount the school returns.

Order of return of Title IV funds

Excess funds returned by the school or student are credited to outstanding Title IV loan balances for the student or made on the student's behalf for which a return of funds is required. Excess funds must be credited to outstanding balances in the following order:

1. Unsubsidized Stafford loans
2. Subsidized Stafford loans
3. Federal Perkins loans
4. FFEL PLUS loans
5. Federal Pell grant
6. Federal SEOG grant

Veterans Training Benefits and Dependents Educational Assistance

Financial Aid

When completing the FAFSA, the Title IV Code for Cedarville University is 003025.

General Information

Cedarville University offers a variety of financial aid programs to assist students with education-related expenses. Although Cedarville University supports the premise that the primary responsibility for financing a college education rests with the student and family, aid programs are available to supplement personal resources.

Most of the financial aid available at the University is considered to be *need-based aid*. Students are asked to complete the Free Application for Federal Student Aid (FAFSA) and submit the form to the Central Processing Center. The FAFSA should be submitted to the central processor by February 10, but not before January 1 preceding the academic year for which aid is being requested. It is not necessary to have filed your Federal taxes before completing your FAFSA. Estimated data can be used. An analysis of the family's financial data is performed and the results are used to determine the eligibility for *need-based* assistance. New aid applicants may obtain the FAFSA from their high school guidance counselor or from the Cedarville University Financial Aid Office. For filing online, obtain a PIN number for **both** the parent and student at www.pin.ed.gov and complete the FAFSA at www.fafsa.ed.gov.

In addition to *need-based aid*, the University also offers *merit-based aid* to students who demonstrate recognized achievement or talent. Merit scholarship categories include academic, leadership, athletic, music, and forensics.

The Financial Aid Office serves as a resource center to assist students and their families in exploring alternative sources of educational funding. The Financial Aid homepage has direct links to several scholarship databases. Students are encouraged to investigate privately-funded scholarships through the use of the World Wide Web and accessing www.cedarville.edu/dept/fa.

Students should advise the Financial Aid Office when they receive additional assistance from sources other than Cedarville University. This assistance will be considered when preparing award packages and at times may result in the revision of a previously prepared package.

A financial aid award notification will be provided to students after reviewing completed application data and after a student is accepted for admission to Cedarville University. Financial aid is applied for and awarded on a yearly basis. Aid applicants must continue to meet program qualifications in order to retain eligibility.

All questions may be directed to the Financial Aid Office at 937-766-7866 or 1-800-444-2433. Visit Cedarville's financial aid Website at www.cedarville.edu/dept/fa and the FAFSA Website at www.FAFSA.ed.gov.

Applications will be mailed directly to the student from the guarantee agency. The federal government will subsidize (pay) the interest on loans while the student is in school and during a six month grace period following withdrawal or graduation if the student has demonstrated financial need as determined by the FAFSA calculations. The interest rate, as of July 1, 1994, is a variable rate not to exceed 8.25%. Freshmen can borrow a maximum of \$2,625, sophomores-\$3,500, and juniors and seniors-\$5,500. Loan origination and insurance fees totaling 3% of the loan amount will be deducted by the lender.

Federal Unsubsidized Stafford Student Loan funds are available to students who do not qualify for all or part of the need-based subsidized Stafford Loan. The annual loan limits are the same, as stated above, for the subsidized, unsubsidized, or any combination of the two programs. In this program, all the terms are the same as the subsidized Stafford; however, the federal government does not cover the interest expenses while the student is in school or during the six-month grace period. The student does have the option to defer payments during in-school and grace periods; however, the interest continues to accrue. **Independent students** are eligible to borrow additional funds through the Unsubsidized Stafford. Freshmen and sophomores may borrow an additional \$4,000 and juniors and seniors may borrow an additional \$5,000 per year.

Federal Parent Loan to Undergraduate Students (PLUS) funds are available for creditworthy parents to borrow on behalf of their students. This loan program is not based on financial need and may be used to replace all or part of the expected family contribution. Parents may borrow any amount up to the cost of education less any financial aid the student is receiving. The interest rate is a variable rate and will not exceed 9%. The lender will deduct 3% of the loan amount to cover the origination and insurance fee. Repayment does begin within 60 days following full disbursement of the loan proceeds. Further information and applications for this program may be obtained by contacting the Financial Aid Office.

Students should be aware that funds awarded from these programs are considered to be awarded for the entire loan period requested by the borrower. Should the student withdraw before the end of the loan period, a proportionate refund of the loan proceeds may be returned to

the lender. In addition, if a student is enrolled for less than a full academic year immediately preceding graduation, the annual loan limit may be prorated based on the number of credits remaining to complete the program of study. Specific questions relating to the federal regulations outlined above may be directed to the Financial Aid Office.

Federal Perkins Loans

Federal Perkins Loans are available through the University to students who are citizens of the United States and who demonstrate exceptional financial need. Funds are awarded to Federal Pell Grant recipients first. Other applicants are awarded pending availability of funds.

The Federal Perkins Loan Fund was established to help students pursue their courses of study at their chosen institutions of higher education. Students are eligible if they are: (1) a national of the United States, in the United States for other than a temporary purpose and intend to become a permanent resident thereof, a permanent resident of the Trust Territory of the Pacific Islands, or the Northern Mariana Islands; (2) in need of the amount of the loan to pursue a course of study at an eligible institution; (3) capable, in the opinion of the institution, of maintaining good standing in such course of study; and (4) accepted for enrollment as at least a half-time undergraduate student. Continuing students must be in good standing and enrolled as at least a half-time undergraduate.

The standard Perkins Loan amount is \$1,500. However, the annual amount may be increased as funding allows, to the maximum amount of \$20,000 for the undergraduate student.

Repayment begins nine months after graduation or when a student leaves school for other reasons. One may have up to 10 years to pay back the loan, depending upon the aggregate amount borrowed. During the repayment period, the borrower will be assessed 5% interest on the unpaid balance of the loan principle.

Exit interviews will be conducted for graduates and withdraws to explain loan deferment and cancellation provisions for borrowers who continue their education or go into certain fields of teaching or specified military duty.

Student Employment

Federal Work Study

This federally-funded program is designed to provide work opportunities for university students. Students in this program may qualify for up to 20 hours a week during the academic year, providing they show a demonstrated need from their federal need analysis (i.e., the FAFSA). All work assignments are made by the Financial Aid Office. Actual hiring is done by the department supervisors who will employ the students. As with campus employment, actual job placement, number of hours worked, and total dollar amount earned cannot be guaranteed by the Financial Aid Office. Community service positions are also available in this program. For more information, visit

www.cedarville.edu/dept/fa/studentemployment.htm

Campus Employment

Although unable to guarantee actual job placement, the number of hours worked, or total dollar amount earned, Cedarville University assists needy students by recommending them for part-time employment. Students are employed in various part-time jobs on campus such as maintenance, cafeteria, housekeeping, and others.

Part-time student employment is not restricted to upperclassmen and is encouraged at all levels.

Off-Campus Employment

Because of the University's reputation for attracting quality students, many area employers contact the Career Services Office to employ students on a part-time basis. Though no formal restrictions pertain to this employment, students are encouraged to limit their working hours to approximately 20 hours per week to ensure sufficient time to study.

Financial Information

Standards of Satisfactory Academic Progress for Recipients of Financial Aid

Policy

Financial aid recipients at Cedarville University are required to achieve satisfactory academic progress to be eligible to continue to receive federal financial assistance. The purpose of this policy is to define the requirements for satisfactory academic progress as it pertains to recipients of Title IV federal aid programs.

The University recognizes that conditions that create the need for financial assistance may also create other educational needs that require extra time and slower progress in achieving educational goals. Students who, because of exceptional educational needs, must make slower progress than outlined in the policy or who find themselves victims of unusual circumstances, are encouraged to discuss their situations with their academic advisors and the Financial Aid Office. Where legally possible, because of mitigating circumstances, exceptions to this policy can be considered.

When the Congress of the United States enacted the Higher Education Amendments of 1976, eligible institutions were directed to define and enforce standards of progress for students receiving federal financial assistance.

The programs directly involved at Cedarville University are: (1) Federal Pell Grant, (2) The Federal Perkins Loan, (3) The Federal Supplemental Educational Opportunity Grant-FSEOG, (4) Federal Work Study-FWS, and (5) Stafford/PLUS Loans.

Full-Time Students

To be eligible for full benefits of Federal Title IV funds, undergraduate recipients of financial aid must enroll for a minimum of 12 credit hours of classes during each semester that aid is received. All students are required to have a cumulative grade point average of 2.0 (C) in order to graduate from Cedarville University. The following academic requirements would be appropriate in achieving this goal by "carrying to completion" the required credit hours. In order to meet academic progress standards, students must complete a minimum number of credit hours based on a percentage of work to be completed and maintain a minimum cumulative grade point average consistent with the requirements for graduation. The following illustrates the academic progress policy:

Hours attempted	1-32	33-64	65-96	97-192
Completed (percent)	65%	70%	75%	80%
Minimum cumulative GPA	1.70	1.90	2.00	2.00

Satisfactory academic progress means that first-time students must, after a reasonable probationary period not to exceed one semester, have registered the minimum cumulative grade point average each semester thereafter as indicated above. In addition, these students must complete 65% of attempted course work the first academic year, 70% the second year, 75% the third year and 80% the fourth year.

Note: *Academic progress is measured at the end of each academic term. (Satisfactory progress for summer coursework will be evaluated at the end of the fall semester when fall term academic progress is evaluated.) It is assumed that the majority of students will graduate in the normal time frame. However, no student may continue more than six years as a full time student in order to complete his/her academic program. Regardless of the credit hours a full-time student attempts and received aid for, (which cannot exceed 192) they must complete the percentage of work attempted and have the appropriate cumulative grade point as stipulated above.*

Aid recipients who fail to complete the required percentage of work attempted as listed above during the applicable semester and/or do not meet the minimum cumulative grade point requirements each semester will be considered as not making satisfactory academic progress. These students will be subject to having their federal aid discontinued unless there are mitigating circumstances involved that may affect a student's academic progress.

Students who withdraw from all courses during any semester will be encouraged to confer with the Financial Aid Office. If permitted to continue, students who withdraw from all courses during each semester for two consecutive semesters will be considered as not

making satisfactory academic progress and will be discontinued from receiving federal financial aid.

In conjunction and addition to the academic policy listed in the university Catalog, the grading marks F, I, W, WF & WP will not be considered as successful completion of courses attempted. The attempt of these courses will be considered in quantitative (percent completion) analysis of SAP but not the qualitative (GPA) analysis. The Incomplete (I) grades will be considered into the qualitative (GPA) analysis when completed according to the provisions in the university catalog. When an incomplete grade changes to another grade notation, that change will be picked up in the next SAP review.

Repeat course credits earned are averaged into the cumulative grade point averages; however, credit hours are counted only once towards the graduation requirement, but both attempts towards the percent of completion calculation.

Credit hours in which a 'CR' has been earned count toward total graduation requirements but are not used in the computation of grade point averages. Non-credit hours for which a 'NC' has been earned are not used in the computation of grade point averages.

(AU) Audit classes do not constitute hours attempted or completed and are not used in the computation of grade point averages.

Repeat course credits earned are averaged into the cumulative grade point averages; however, credit hours are counted only once. "AU" Audit, do not constitute hours attempted or completed.

Summer school credit hours earned will be included in the academic year to which summer sessions are assigned. They will be evaluated the same as hours earned in regular semester sessions.

Part-time Students

Students who enroll for less than full-time (12 hours per semester) will receive proportionately less financial aid than a full-time student as dictated by lower school costs and federal regulations. Similar academic progress requirements for full-time apply to part-time enrollment on a proportional basis. Financial aid (except the Federal Pell Grant) will not be awarded to students who enroll for fewer than six credit hours per semester (half-time).

Transfer Students

Transfer students who have never attended Cedarville University will be treated as new students in regard to the probationary period (one semester). The transfer credits plus the credits received at Cedarville will be used for the percent of completion measurement; however, only the cumulative grade point average earned at Cedarville will be the evaluating factor to determine if progress is being made, based on the current satisfactory academic progress policy.

How to Re-establish Eligibility

When a student is denied aid because of lack of academic progress, additional courses at Cedarville University must be taken at the student's own expense. This will be necessary until the minimum cumulative grade point average and the percentage of completion requirements meet the academic progress criteria. In all cases, each student, upon completion of these requirements, must schedule an appointment with the Assistant Director of Financial Aid to determine his or her future eligibility for federal assistance.

Method for Appeal

Students who have been denied Federal Aid due to Unsatisfactory Academic Progress have the right to appeal and can do so by a written request to the Assistant Director of Financial Aid. All appeals must include substantive reasons for failure to comply with this policy.

The Assistant Director of Financial Aid along with the appeal committee will review the appeal and the Assistant Director will respond by letter with either an approval or rejection of the student's appeal. On an individual basis, future progress requirements may be placed on a student whose appeal is approved. If the appeal is approved, the student's financial aid will be reinstated for the term.

If necessary, further appeals may be made to the Vice President for Enrollment Management.
