

Department of

**Music, Art, and
Worship**

Mission Statement

The purpose of the Cedarville University Department of Music, Art, and Worship is to help develop an appreciation and understanding of the musical and visual arts consistent with a biblical worldview. The department seeks to help students gain an understanding of the responsibility of stewardship, service, and worship that is placed upon those to whom God has given musical and artistic talents.

Students completing programs in music, art, and worship will be able to:

1. Demonstrate an understanding of technical skills necessary for the solo performance of music and the individual creation of art.
2. Articulate a biblical philosophy of fine and performing arts which reveals an understanding of the integration of faith and learning.
3. Demonstrate awareness of historical as well as new styles of music, art, and worship.
4. Manifest attitudes necessary to guide others toward an increased understanding of the arts.
5. Participate in performances or presentations that contribute to the artistic cultures of the University and the community.

The music programs of study are accredited by the National Association of Schools of Music (NASM).

Personal Requirements

Auditions

Applicants who wish to major in music should follow the standard procedures for admission. Satisfactory completion of an audition is required for approval as a music major.

Students should check the website at www.cedarville.edu/academics/musicandart to obtain requirements and contact the department of music, art, and worship to schedule an audition.

Scholarships

Scholarship assistance is available to music majors who qualify on the basis of audition, academic record, and references. Additional academic scholarships and other types of financial assistance are available to qualified individuals through the Cedarville University Financial Aid Office.

Music Theory Exams

All incoming students are required to pass the Music Theory Competency Exam. This test assures that students have the minimum knowledge necessary for college-level music theory courses. The exam is scheduled during Getting Started Week activities.

Students who have had significant music theory training prior to attending Cedarville may take the Music Theory Test-Out Exam. Contact the department of music for additional information regarding this test.

Portfolio

Applicants who wish to major in studio art or graphic design should follow the standard procedure for admission. A portfolio submission for either major is encouraged but is not a requisite for admission into the program. Portfolios should be submitted on a CD or at an arranged on-campus interview.

Department Requirements

To graduate with a major from the department of music, art, and worship, students must earn at least a 2.0 cumulative average in all courses required for their major and at least a "C-" in all courses taken to meet specific requirements in their major.

Graphic Design and Studio Art Requirements

Freshman Review

All entering freshmen are admitted into the graphic design and studio art majors on a conditional basis. After the second semester of study, freshmen are evaluated by the graphic design and studio art faculty to determine whether they are making adequate progress to continue in their respective programs and/or exhibit the talent necessary to be successful in their chosen field. Students who do not show satisfactory progress and/or talent will be advised to consider other majors unless they show significant improvement.

Sophomore Portfolio Review

At the end of the second semester of the sophomore year, graphic design and studio art majors are required to apply to the department for upper-divisional standing. The student is required to present a portfolio representing every area of his or her work in graphic design and/or studio art courses at the University. The portfolio should include original two-dimensional work and a CD of images of three-dimensional work. The graphic design and studio art faculty will evaluate the student on the basis of academic progress, grade averages in major courses, and the portfolio that is submitted. Students who do not pass their sophomore review will not be allowed to continue in the major.

Transfer Review

All students who wish to transfer from another college or university and enroll at Cedarville University as either a graphic design or a studio art major on the junior or senior level must submit the same material requested for the sophomore portfolio review. The graphic design and studio art faculty will review this material before acceptance into the program is granted.

Music Requirements

Music Student Handbook

The *Music Student Handbook* is the authoritative statement on all department policy as it applies to the student. Each music student is responsible for following the policies and procedures contained in both the handbook and the University catalog. The handbook can be found online at www.cedarville.edu/academics/musicandart/studentresources.htm

Private Lessons

Private lessons are open to all music majors and minors with curricular need. Students are expected to take private lessons on their major instrument for each semester they are enrolled. Exceptions to this include students who are student teaching and other circumstances as deemed appropriate by the chair.

Semester Performance Juries

All music majors perform a jury in their primary performing area every semester. The jury is a short performance for a committee of music faculty. The grade from the jury counts for 25% of the final grade in private lessons for the semester. For performance majors, the jury counts for 33% of the final grade in private lessons.

Freshman Review

After the second semester of study, freshmen are evaluated by a committee of music faculty to determine whether they are making adequate progress to continue in the music program. Students who do not show satisfactory progress may be asked to change majors.

Sophomore Check

While the primary screen for continuance in the music program occurs at the Freshman Review, student achievement is also checked at the end of the sophomore year to confirm adequate progress toward degree completion and admittance to upper-level music courses.

Piano Proficiency

All music majors are expected to meet the minimum proficiency requirements for piano as established by the department. Piano placement is done during Getting Started Week. Complete piano proficiency requirements are available in the music office.

Technology Proficiency

All music majors are expected to meet proficiency requirements for technology as established by the department. This requirement can be met by successfully passing a technology proficiency test or by passing THMU-1500 Introduction to Music Technology.

Ensemble Participation

Music majors are expected to participate in at least one ensemble every semester they are enrolled. Once the credit requirements for their majors are fulfilled, they may enroll for 0 credit.

Recital and Program Attendance

Attendance is required of all music majors and minors. All students must complete recital and program attendance each semester they are enrolled as a music major. Minors must take two consecutive semesters.

Capstone Recital or Project

In addition to performance in general student recitals throughout the college experience, all music majors are required to exhibit a level of performance for graduation that meets the requirements and standards of the department. For all majors, the capstone requirement is a senior recital or project.

Fees

Instrumental rental fee per semester: \$50; practice room fee per semester: \$100 (each hour of lesson credit). Classes that involve labs or University-provided student equipment may also have similar fees.
