

Cedarville University Vehicle Regulations (CUVR)

Preface:

The Cedarville University Vehicle Regulations (herein referred to as CUVR) apply to all vehicles operated on the Cedarville University (CU) campus as well as properties under its control for educational, residential or support purposes. The Department of Campus Safety & Security has been authorized to administer the vehicle regulations for the university.

Any use of any vehicle as stipulated by the Ohio Revised Code (ORC), motorized or not (which includes, but is not limited to electric or gas powered scooters, bicycles, rollerblades or skates) on any university property is a privilege granted by the university and is not the right of any employee, student or visitor. It is the requirement of the university that all employees, students and visitors comply with these vehicle regulations for the sake of the safety and consideration of others. Failure to comply with the CUVR may result in the revocation of this privilege at the discretion of the university.

The following parking and driving regulations have been adopted by the university to facilitate both vehicular and pedestrian movement, maximize parking and enhance safety. All parking and driving regulations are strictly enforced.

The Cedarville University Vehicle Regulations (CVUR) are subject to revision or change without prior notice.
