

SPECIAL SITUATIONS & CONSIDERATIONS (CUVR 700)

700: Campus: Driving to class or chapel

On campus, resident students are restricted from all on-campus driving between the hours of 7 am and 5 pm, Monday through Friday. If an extenuating circumstance exists in exception to this regulation, the individual must contact the Department of Campus Safety & Security or the officer on duty **PRIOR** to the need for the exception.(refer to **CUVR 110**). Lack of prior notice to the Department of Campus Safety & Security may result in the issuance of a ticket, and is not necessarily grounds for appeal.

701: Village Parking Ordinance

Cedarville Village ordinance prohibits parking along the West side of Main St. from Maddox Hall to the Founder's Hall entrance between the hours of 6 am and 6 pm Monday through Friday.

702: Commuter parking in Resident Hall lots

Commuters may use the time-limited (30 minute) spaces in resident hall lots for meetings or drop-off situations. If these spaces are occupied, or if the length of time at the resident hall will be longer than 30 minutes, commuters must park in a designated commuter parking lot.(refer to **CUVR 304**).

703: Medical Permits

Individuals who need a temporary medical permit may obtain one from the Department of Campus Safety & Security. Applicants should submit an application and a copy of the physician's request to the office. (UMS & the Athletic Training department notes are considered acceptable as a physician's request.)

Temporary permits will be issued for a period of 30 days and are renewable based on a physician's recommendation or request.(The recommendation/request **MUST** be presented at the time the renewal is being requested). These permits allow parking in commuter and/or handicap spaces, as designated on the permit.

Medical permits must be obtained **PRIOR** to utilizing the privilege afforded individuals who may qualify for these permits, except in cases of emergency. Temporary medical permits **do not** qualify for parking in faculty/staff or specifically reserved spaces.(refer to **CUVR 307**).

Individuals found in violation of the provisions of a temporary medical permit or who are found abusing the privilege of the permit may forfeit their rights to the permit and may have it revoked immediately. The applicant's signature on the permit request implies that they have read and understand the provisions and restrictions of the temporary medical permit.

704: Visitor/guest parking

Bona fide visitors and guests may park in any of the visitor spaces on campus, as designated by the white lines. There are 2 specifically reserved spaces at Founder's Hall and 15 specifically reserved spaces in the upper level parking lot at the Steven's Student Center. **ALL designated visitor spaces are reserved Monday – Friday from 7 AM to 6 PM**. Student registered vehicles **DO NOT** qualify for visitor/guest parking regardless of the operator of the vehicle.

No student, faculty/staff or visitor may abandon, store or leave a vehicle on the CU campus or property. Vehicles that have been identified as not being used regularly will be classified as stored, abandoned or unattended.

The Department of Campus Safety & Security will attempt to identify the owners of such vehicles and in accordance with ORC 4513.64, attempt to contact the owner and determine the disposition of the vehicle. (Such contact may be done through tickets, immobilization, e-mail or certified letter). Owners may present justified reason(s) for the vehicle's presence or to make acceptable arrangements. Vehicle owners will have 10 days to comply with either the regulations or the agreed upon arrangements.

([refer to CUVR 505](#)). Failure to comply will result in the vehicle being towed at the owner's expense, per ORC 4513.64. Vehicles which owners cannot be identified or contacted will be towed at the owner's expense with no additional notification.

This section does not replace **CUVR 300** (reference vehicles which are unregistered), or **CUVR 505** (reference general guidelines for immobilization and/or towing).

706: Vehicles left for the summer

Individuals who "take vehicles off campus" in order to affect repairs on behalf of the vehicle owner; whether taking the car outright, or leaving another registered vehicle in its place, must contact the Department of Campus Safety & Security prior to doing so. This notification will prevent unnecessary ticketing. ([refer to CUVR 108](#)).
