

# Cedarville Visit Checklist

## Visit Chapel

Plan to attend chapel during your visit! Services start at 10 a.m. each day that school is in session and feature speakers from around the world who deliver challenging and inspirational messages. Students and alumni call chapel one of the best parts of their time at Cedarville.

## Attend a Class

If you choose to spend a whole day with us, you will have the chance to sit in on a class or two. (We will provide you with a list of possible classes.)

## Tour the Campus and Residence Halls

Getting a feel for the campus is one of the most important factors in making your college decision. It is essential to see where you will live during your years as a student. Our student tour guides are volunteers who love their lives at Cedarville. Come prepared to ask why they choose to spend their college years on our campus. Don't forget to ask questions about resident hall life and be sure to check out the classrooms and facilities that will be available to you in your field of study!

## Eat at Chuck's (our dining hall)

Each member of your group will receive one complimentary meal ticket for Chuck's. If you like, you may purchase additional meals at the dining hall entrance (hot breakfast, \$4.75; continental breakfast, \$3.75; lunch, \$5.75 [except Sunday, \$7.50]; dinner, \$7.50 [except Sunday, \$5.75]).

## Stay on Campus

You may want to spend the night in a residence hall during your visit. Remember to bring a sleeping bag, pillow, towels, and personal items. Keep in mind that you will likely be sleeping on the floor, and your student hosts may have other responsibilities during your stay. We charge \$20 per student, per night so that we can pay the students who will be your hosts. Housing is limited to those under the age of 24.

## Plan for Extracurricular Activities

Cedarville students love extracurricular activities — sporting events, theatre performances, concerts, and more! As you plan your visit, check out the Cedarville calendar at [cedarville.edu/Events](http://cedarville.edu/Events) for upcoming events. If you decide to attend a sporting event, please contact admissions to get on the list to receive complimentary tickets.

## Ask About Airport Transportation

If you're flying in for your visit, we need at least two weeks' notice to schedule the necessary transportation to and from campus. The University does not have a daily shuttle service, but we provide individual transportation when requested. The round-trip transportation fees are as follows: Dayton, \$45 (35 minutes); Columbus, \$80 (65 minutes).
