From these churches can be found many of the members that make up the camp's board of directors.

This is no-doubt the busiest season for Bethany Camp with lots of children, teens, and families coming to experience a relaxing and refreshing time of drawing closer to God.

Bethany Camp's mission, the drive behind everything that we do, is to create a safe environment that allows, encourages, and cultivates spiritual growth and change. When your family attends Bethany Camp, it is our goal to provide you with enjoyment, laughter, and unique experiences with God and his creation.

Our goal is to take care of all physical, emotional, and social needs that you may have in order to help remove any hindrances that may be keeping you from growing closer to our God and Savior. In the place of those hindrances, we seek to provide joy, love, hope, and encouragement from God to you right where you are.

Bethany Camp is here to serve God by serving the wonderful people who come to our camp, and we are motivated and excited to see the incredible transformations God has performed in the lives of His children through our ministry."
