*As for me, I shall behold your face in
righteousness; when I awake, I shall
be satisfied with your likeness.*

Psalm 17:15 (ESV)

God wrote a book. God wrote this book so that He might give Himself to us. The words of the Bible are the divinely given communication from the Creator of all things. Do you want to know God? Look in His book. Do you want to be more like Christ? Abide in His Word. Do you want to be satisfied in Christ? Behold His face in His self-revelation.

This Bible-reading plan is a tool to equip you for daily seeking the Lord. Our hope and prayer is that this plan will draw you deeper in knowledge and love for your Creator. May the testimony of all Yellow Jackets be, "As for me, I shall behold your face in righteousness; when I awake, I shall be satisfied with your likeness."

About This Reading Plan

This Bible reading plan is designed to start the first full week of classes in 2018 and end on graduation for the class of 2022. Cedarville students will have several experiences of getting into the Word of God. They will read quickly and intensely on several occasions for their Bible minor classes. Yet, there is value in reading the Bible both quickly and slowly. Reading in large portions provides the overview, reveals major themes, and illuminates textual connections. Reading slowly provides opportunity to think deeply on individual words and phrases. The Holy Spirit uses both and we intentionally have both built into the experience of students at Cedarville. Therefore, the goal for this reading plan is to encourage students to build a daily time into life when they are getting into the Bible across classes, semesters, and breaks. Grab your Bible, read consistently and carefully alongside the class of 2022, and God will change your life.

Our daily time with the Lord should include personal communication and fellowship with God in prayer. It is an incredible fact of God's love for His children that He desires for us to bring all things to Him. Below are a few categories to guide you in your prayer life.

Adoration of God

The goal of a daily time with the Lord is to know Him and Love Him for who He is. Spend some time in prayer thinking on the character of God and stating to Him your adoration of Him.

Repentance of Sin

Repentance is a regular posture of the Christian to confess sin before God and seek heart change by grace. Spend some time asking the Holy Spirit to illuminate your sinfulness and state your repentance before God.

Supplication for Needs

There is no matter in our lives below God's awareness and concern. Spend time taking the matters on your heart to the Lord.

Intercession for Others

God's children have the opportunity to bear the needs and burdens of others before the One who sustains all things. Spend some time taking to the Lord the needs of others in your life.

Pray Scripture

Prayer is a conversation and we have God's perfect communication to us in Scripture. Make it a habit to connect your daily Bible reading to your prayer life for the day. What truth in your reading for today is something that should occupy you in prayer? The possibilities are as deep as the truth of God's Word.
