Bioethics Conference

Equipping for End of Life Ministry

Thursday and Friday, September 15 and 16, 2011

There will be plenary presentations and parallel breakout sessions for pastors/counselors and healthcare providers lead by a variety of leaders and experts in healthcare ethics and end of life ministry.

Continuing education credits will be available for health care and social work professionals.

Through the Roof Summit

Embracing the Disability Community

Friday and Saturday, September 16 and 17, 2011

If you're interested in developing a disability ministry, are just getting started or have an existing ministry at your church, you won't want to miss this opportunity. Saturday's session is jam-packed with 40 workshops by noted authors, professors, researchers, church ministry leaders, and other professionals who bring their expertise to the pressing issues facing people and families affected by disability from diagnosis through all of life's stages. In addition, you'll be able to visit exhibitors, gather resources and have a time of networking.
