Medical Release Forms

Bring medical release forms signed by a parent or guardian for each student who comes to Junior Jam. These will be collected during check-in. For students who bring signed medical release forms, we will not require them to fill one out upon arrival. This will speed up your church's registration process.

***For churches who have their own medical release forms, we still require the Cedarville medical release as a registration form and a release to care for student's medical needs during Junior Jam. If your group has attended this event in the past, please do not use previous versions of the Junior Jam medical release form .*
