WELCOME

We begin our spring semester with our annual GO Conference to remind everyone at Cedarville University that everything we do is driven by Christ's "Great Commission."

During the conference, topical seminars will be offered each afternoon and on Wednesday evening. Throughout the week, students and visitors are encouraged to interact with the missionaries and missions agencies at the display tables, in the dining hall, at the ice cream social Tuesday night (8:30 p.m.), and the coffee house Wednesday night (8:30 p.m.). The prayer room, DMC 105, will be open all week for personal or group prayer for the nations.
