

WELCOME

We begin our spring semester with our annual Missions Conference to remind everyone at Cedarville University that everything we do is driven by Christ's "Great Commission."

During the conference, topical seminars will be offered each afternoon and on Wednesday evening. Throughout the week, students and visitors are encouraged to interact with the missionaries and missions agencies at the display tables, in the dining hall, at the ice cream social Tuesday night (8:30 p.m.), and the coffee house Wednesday night (8:30 p.m.).

GLOBAL OUTREACH

As Cedarville students live out the reality of the Gospel in the community and around the world, they are advancing the Word of God and the Testimony of Jesus Christ. Experience their stories and celebrate lives being transformed at cedarville.edu/cugo.

TONY MERIDA | SPEAKER

Tony Merida is Pastor for Preaching and Vision of Imago Dei Church in Raleigh, N.C. He's also the Content Director for Acts 29, producing blogs, podcasts, and other resources on church planting. Tony has an extensive itinerant ministry, and has written several books including *The Christ-Centered Expositor, Ordinary, Orphanology*, and eight volumes in the *Christ-Centered Exposition* commentary

series, of which he also serves as a general editor, along with Danny Akin and David Platt. He is happily married to Kimberly, and they have five adopted children.

JENNIFER DEKRYGER | SPEAKER

Jennifer (Benefiel) DeKryger is a 1993 graduate of Cedarville University, who God has called to proclaim hope in His world. She heard this call first during the missions conference of her freshman year at Cedarville. Following college, God led her to Hong Kong as a teacher. During a furlough visit to the United States, God introduced Jennifer to a man He had been shaping for His service as well. Todd DeKryger was a talented, aspiring

physician, who God was training to share hope through compassionate healthcare given in the name of Christ. When God brought them together, He aimed their hearts toward the predominantly Muslim region of Togo, West Africa. Todd, Jennifer, and their boys moved to Togo to help establish a new medical ministry, the Hospital of Hope.

Jennifer and her four boys are privileged to serve in chaplaincy, surgical support, pharmacy work, and in the lab in the Hospital of Hope in Mango, Togo.
