

2023-24 Dependent Student Verification Worksheet

Your 2023-24 Free Application for Federal Student Aid (FAFSA) has been selected for Verification Review. The verification process is used to ensure the accuracy of the information reported on the student's FAFSA. Since your FAFSA was selected, federal law requires that you complete this review in order to receive federal aid for the 2023-24 academic year.

Once all of your verification documentation is received, it will be reviewed for accuracy and conflicting information will be corrected. Federal financial aid will not be disbursed until you have submitted all required documentation and the review has been completed.

The documents required to complete the verification process can be viewed on your financial aid eAward at cedarville.edu/selfservice.
