

EQUITY IN ATHLETICS

Any coeducational institution of higher education that participate in an FSA program and have an intercollegiate athletic program must prepare an annual Equity in Athletics Disclosure Act (EADA) report. This report contains participation rates, financial support, and other information on men's and women's intercollegiate athletic programs. It is referred to as the Report on Athletic Program Participation Rates and Financial Support Data. The University is required to make this report available, upon request, to actively enrolled students. To obtain a copy of this report, please contact the business office at controller@cedarville.edu or 937-766-7820 during normal business hours. A reproduction fee may be assessed.
