This accelerated pathway assumes prior completion of undergraduate proficiency requirements.

Applicable course to meet up to 30 hours of undergraduate prerequisite work for the Adv. M.Div. program

*Satisfies part of the undergraduate Bible minor

**Recommended course(s)

***Upon achieving undergraduate senior status and appropriate approvals, students may complete two to three graduate courses during their undergraduate program to satisfy requirements for the Advanced M.Div. program. This graduate course may satisfy a requirement for an undergraduate elective course.

Overview: The 61 hours Adv. M.Div. assumes prior completion of 30 hours of undergraduate prerequisites for the program.

The pathway courses indicated above provide a student with 27 hours of undergraduate credit recognized by the Adv. M.Div. program. To have the total prerequisite hours recognized, a student needs to complete BTBL-3510 Intermediate Greek [Prerequisites: BTBL-2510, 2520 Elementary Greek I and II].

In addition, a student may select 6 hours of graduate credit (potentially resulting in 58 hours of remaining graduate course work).

Students who are not accepted into the Adv. M.Div. program or who decide not to complete the graduate program should switch to the regular Broadcasting, Digital Media, and Journalism major to complete their undergraduate degree.
