Welcome to Summer Scholars, the summer residential program offered to Cedarville's College Now students!

You have made a very wise decision to spend two weeks of your summer with us. Here you will experience Cedarville University's commitment to academic excellence and spiritual growth in community with fellow believers, many who just may become friends for life!

We pray God's best for you as you join us for Summer Scholars 2019!

*Mindy May*

*Director for Student  
Development and Dean  
of Women*

The Office for Student Development and Residence Life are excited you have decided to join the Cedarville family. We hope the next couple of weeks provide an easy transition to college life and an introduction to the overall Cedarville experience.

This booklet provides an overview of Summer Scholars and services that will be available to you this summer. The information in these pages will help you better prepare for your time at Cedarville!

There are four core values that drive everything we do at Cedarville University: Love for God, Love for Others, Integrity in Conduct, and Excellence in Effort. We pray these core values will be modeled for you and sharpened in you in each class, residence hall experience, and activity on our campus this summer.

We look forward to serving you!

## Commuter and Residential Students

### **Cedarville Covenant**

“We are a community of believers accountable to one another, called to reflect the character of Jesus Christ, and to be obedient to His Word. We will be faithful in our support for the local church and in our practice of the spiritual disciplines. We will practice biblical principles of encouragement, exhortation, and reconciliation. We commit ourselves to integrity, kindness, purity, and self-control; and to continual growth in scholarship, leadership, and service.

Therefore, as members of the Cedarville community, we regularly affirm our commitment to the Cedarville Covenant with this pledge: We will love God and others, live with integrity, and pursue excellence in all we do.”

Read through our [Core Values](#) to learn more.

### **Devotion**

Every weekday morning at 10 a.m. students will meet for devotions. Student Life and Christian Ministries staff will lead devotional studies that are biblically driven and practically relevant. Attendance is required for all Summer Scholars students.

### **Clothing**

Class dress for men includes dress shirts, sport shirts, sweatshirts, or T-shirts and pants or jeans (no shorts). Class dress for women includes dresses, blouses, sweatshirts, or T-shirts and skirts, slacks, capris, or jeans (no shorts). Clothing should not be excessively short or revealing (for example, skirts/dresses should be to the top of the knee, midriff and underwear should not show, and shirts should not be low-cut and should have at least a modest strap.) Shoes should be worn in academic buildings and the dining hall at all times.

Dress for the gym and free time must adhere to the student life guidelines listed below:

- Clothing should not be excessively short or revealing. For example, skirts/dresses should be to the top of the knee, midriff and underwear should not show, leggings/tights should have knee-length skirt or dress over top, and shirts should not be low-cut and should have at least a modest strap.
- Students wearing spandex for exercise should have loose-fitting shorts overtop. Racerback shirts are not allowed.
- Clothing should not have slogans that are inconsistent with University values.
- Shoes should be worn in academic buildings, and the dining hall at all times.
- Shorts, sweatpants, and pajama pants should not be worn to class.

In addition, our campus culture supports the professional development of students and allows faculty to communicate additional dress guidelines for classes that are consistent with the course objectives.
