Daily chapel is the heartbeat of the Cedarville experience. Students daily encounter the truths of God’s Word as presented by our president, campus pastor, faculty and renowned guest speakers from across the globe. Chapel is also a time of fellowship and corporate worship. Students participate in chapel through special music, student-led worship bands, or other forms of creative expression. Student ministries including OneVoice Gospel Choir, HeartSong, and Jubilate perform regularly, and our Student Government Association (SGA) leads chapel on most Fridays.

If you are interested in auditioning for a student-led worship band, please plan to attend an informational meeting in Dixon Ministry Center (DMC) 164 on Wednesday, August 22 at 8:45 p.m., following the evening session of the Fall Bible Conference. Auditions for chapel worship involvement will be held August 25-26.

OneVoice participates regularly in chapel and in special events on and off campus. Rehearsals are held Monday and Thursday from 6–7 p.m. in the choir room in DMC 149, beginning Monday, August 27.

How Do I Get Involved?

Attend the Involvement Fair on Friday, August 24 from 6–8 p.m. to discover ways to connect with Cedarville’s campus and serve as a volunteer in the local community.

Connecting With Local Churches

The department of church relations seeks to engage Christ-centered churches and their leadership to build and strengthen strategic relationships, provide programs and services, and promote student involvement in local churches. To get involved with church relations and its programs, contact Bruce Traeger, director of church relations at traegerb@cedarville.edu.

While community ministries focus on outreach from campus, discipleship ministries focuses primarily on “in-reach” to campus through prayer groups and small-group Bible studies. Led primarily by upperclassmen, these groups meet weekly throughout the school year and seek to create an atmosphere for spiritual growth through accountability, prayer, study of God’s Word, and loving community.

If you are interested in participating in discipleship ministries, sign up in the Stevens Student Center (SSC), from September 4–6.

If you have questions or want more information, contact Mark Irving, director of discipleship ministries at irvingm@cedarville.edu or the student leader listed beside each group on the next page.

Thank you for taking time to review the many ministry opportunities available to you this year! Serving others is an essential part of the Cedarville experience. Each week freshmen and sophomore students are asked to submit an online form listing the church where they worshipped and one other spiritual formation activity. The ministries listed in this brochure qualify for your spiritual formation involvement.

As followers of Christ, we are called to build relationships and share God's love with the people He has placed in our lives — from neighbors and co-workers to family members and fellow students. Get involved in a tight-knit discipleship group, local church, community outreach, short-term missions trip, or music ministry opportunity! At Cedarville, we’re committed to helping you develop a Christ-centered mind and preparing you to influence the world for Christ.

We are here to serve you. If you ever have questions or ideas, you are always welcome to visit our offices in the Dixon Ministry Center. More information about current ministry opportunities is available at cedarcville.edu/serve.

Coram Deo,

Robert K. Rohm
