ID CLINICS
Cedarville’s Soccer ID Clinics are committed to a high level of technical and tactical learning for all campers. Daily sessions are designed with an emphasis on teaching fundamental skills, tactical awareness, and leadership. Modeled after its own style of play, Cedarville’s Soccer ID Clinics teach and challenge campers to play a very quick, attacking, possession-oriented way of playing the game. Through technical training, small-sided games, competition, and larger game settings, players are continually pushed to grow both as players and individuals. Time is also set aside each day to consider Christian principles.

DAY CAMP
Day camps focus on fundamental skill development in a fun, creative, game-centered environment. Parents are encouraged to send a small snack with their child for a daily short snack break. Time is also set aside each day to consider Christian principles and their application to daily living. We offer a half-day camp (9 a.m.–12 p.m.) for boys in grades K–4 and a full-day camp (9 a.m.–2:30 p.m.) for boys in grades 5–8.
