Elite Clinic
This three day ID Clinic provides players the chance to not only be evaluated by college coaches, but also to work on their technical and tactical abilities. Players will have the chance to participate in training sessions, small sided-games, and full scrimmages. Each day will also include a time spent learning more about the program and the Christian beliefs that are the cornerstone of the team.

Day Camp
Day camps focus on fundamental skill development in a fun, creative, game-centered environment. Parents are encouraged to send a small snack with their child for a daily short snack break. Time is also set aside each day to consider Christian principles and their application to daily living. We offer a half-day camp (9 a.m.–12 p.m.) for girls in grades K–4 and a full-day camp (9 a.m.–3 p.m.) for girls in grades 5–8.
