GOLF DAY CAMP
Our Cedarville Summer Golf Day Camp offers young golfers a unique opportunity to improve their golf game while learning from the Cedarville coaching staff and Yellow Jacket student-athletes. Whether you aim to be a collegiate golfer or you just love the game and want to learn more, we provide an atmosphere in which each student will grow in his knowledge and enjoyment of the game, as well as make lasting friendships and unforgettable memories. Our camp is designed to meet the needs of junior golfers of all abilities and expose them to the basic and advanced techniques of golf as taught on the collegiate level and have a good time in the process. Instruction will focus on improving the student’s swing, short game, putting, and course management, as well as the mental and physical aspects of the game.
